### The European market leader in solid wood products and innovative construction solutions

At the family run company binderholz 2,750 employees share their passion for wood at one of the twelve sites in Austria, Germany and Finland. binderholz produces efficiently on a sustainable basis in accordance with the no-waste principle and recovers 100% of the resource of timber. The products are exported all over the world.

The Binderholz Bausysteme GmbH is producing and distributing binderholz cross laminated timber CLT BBS and offers integrated solutions for timber construction projects. For our further development of existing markets in Belgium and the Netherlands, we are seeking the convincing sales personality in a technical sales position for massive wood projects with CLT BBS.

**Our Offer** After an individual training period in our successful family owned company, we offer a diversified and self-responsible sales task, with further development perspective and attractive conditions such as Home Office and company car for your private usage

**Privacy notice** Your application will be handled within the headquarter of the Binderholz GmbH in Fügen, Austria, according to the regulations of the GDPR
